The organizing committee of “THE 10th JOGJA INTERNATIONAL HERITAGE WALK 2018” invites all the members of IML, IVV and non member countries to attend the sport and cultural events. Last year, approximately 300 international walkers from Asia, European and Pan Pacific area as well as 1000 local walkers had registered to our event.

All the walkers will march together in two consecutive days for 5,10 and 20 km walk distance to celebrate the membership of Indonesia as the first country and the only one from ASEAN who manage to join the IML (International Marching League) and IVV (International Federation of Popular Sport).

The event would be taking place in two venues, Prambanan world heritage Hindu Temple and Merapi Tourism Village. On the first day, participants will walk on Prambanan Temple area and the surrounding 4 villages. On the second day, they will enjoy the beautiful and traditional scenery of Merapi Tourism village.
