Our walk routes for 2019 include the following highlights:

- 3 x pre-Festival guided walks showcasing our bush capital (9/16km, 11km & 5km)
- Saturday's walk around the iconic Lake Burley Griffin (5/11/21/42km options)
- Sunday's walk on Canberra's Centenary Trail, including a section not previously walked at the Canberra Walking Festival (5/11/21/26km options)

More information is included on the [Canberra Walking Festival](#) page, which will be updated as the event nears.
